

Q&A for “Literature Review on Evaluation of Mid-level Ethanol Blends (E16- E50); [an update to CRC Report No. E-97]” (CRC Project No. E-146)

Q: Is it possible to receive a copy of the CRC Final Report for E-97?

The Final Report for CRC Project E-97 was published as a journal article by Hochhauser and Schleyer in *Energy and Fuels*. If the bidder is unable to gain access to this article, please contact CRC directly, and they can share a limited distribution copy.
